

Eddy Symposium

Sponsorship Opportunities

The NASA Eddy Cross-Disciplinary Symposium is presented in collaboration with NASA's Living With a Star Program and the University Corporation for Atmospheric Research (UCAR) Cooperative Programs for the Advancement of Earth System Science (CPAESS). This ongoing series of events brings together great minds across the interdisciplinary field of heliophysics and continues the legacy of the frontier-thinking, cross-disciplinary gathering that the Eddy Symposia have come to define. Sponsorships by corporate partners, facilitated by Friends of the National Center - UCAR's development office, allow us to expand our support of student participation, extend our networking and collaboration efforts, and reach broader communities, while advancing research and development in Heliophysics.

Platinum Sponsor – \$10,000+

- 3 complimentary registrations to the symposium
- Two (2) tickets to the banquet event
- Acknowledgment of support at networking events
- Premium display of logo on the symposium website and on-site event signage
