Over the past few months, we have been working very hard to make things easier for all of you to onboard with CPAESS as a new employee, and also to allow current CPAESS staff to have a handy *"one stop shop"* for finding the resources you need.

To do this we have revamped the "For Staff" page.

Here, you will find very useful information about:

- HR Policies and Procedures
- WorkDay (new HR and Payroll system)
- IT Support
- Travel Procedures and Information
- Communications
- Proposals and Procedures
- Metric Reporting and
- Other Miscellaneous Resources and Tools

We will continue to improve this page and its content. So, after you have had an opportunity to look at its information, please let us know if there is something you feel we should include that could help yourself and others. Thank you.
