

From time to time really exciting things happen at CPAESS and we will be sending you news splashes to keep you up to date!

Hello CPAESS Staff,

Are you going to AGU? Each year we ask all CPAESS employees that are traveling to AGU to provide information on any posters, oral presentations, eLightning or Town Hall they will be delivering. We will use the information provided to create a webpage highlighting your activities at AGU with UCAR/NCAR leadership, sponsors, and other UCAR/NCAR employees. If you would please enter your information by Friday, November 8 we would appreciate it. Please go to this [CPAESS Presentations](#) document and add your poster, oral presentation, eLightning or Town Hall.

Our director, Hanne Mauriello will be at the new NCAR/UCAR booth from time to time so please stop by and say "hello." The booth number is 505 and we will be right next to the National Science Foundation area. On Friday, December 13th the NCAR/UCAR booth theme will be Education and Scientific Partnerships and Services. CPAESS will have a presentation at the booth from 11:30 – 11:50am. See you then and thank you!
