From time to time really exciting things happen at CPAESS and we will be sending you news splashes to keep you up to date!

Hello CPAESS Staff,

I hope this finds you well and safe. I wanted to remind you of two upcoming training deadlines for all UCAR Staff.

The first is for the virtual UCAR Privacy and Security 2020 class on Workday. Please complete this by August 10, 2020. The second is the UCAR Harassment Prevention and Reporting class which is due August 14. You will need your CIT login and password to access these classes.

On a related note, UCAR's Workday site has plenty of free online educational courses that might help you gain some new skills during the pandemic. Their offerings include LinkedIn Learning which covers a great breadth of subject matters. These video courses are taught by industry experts in software, creative, and business skills. Classes range from *Principles of CG Animation* to *Data Science Foundations* to *Business Ethics* and a variety of *Acoustic Guitar* lessons. Go here to check out almost two thousand classes.

As always, please reach out if you have questions or concerns about anything.

Jeanne
