

From time to time really exciting things happen at CPAESS and we will be sending you news splashes to keep you up to date!

Hello Everyone,

Are you going to AMS? Each year we ask all CPAESS employees who will be presenting at the American Meteorological Society (AMS) Annual Conference to provide information on any posters, oral presentations, or Town Halls where they will be delivering their research. If you would kindly go to this [CPAESS Presentations](#) document and add your presentation information by this coming Wednesday, January 12th I would greatly appreciate it.

We will use this information to create a webpage highlighting your activities at AMS for UCAR/NCAR leadership, sponsors, and other UCAR/NCAR employees.

Thank you so much for your help,

Flawse
