

PIRATA-24/TAV Virtual Meeting Draft Agenda

Tentative timeframe:

4pm CEST – 8:30pm CEST (France);

12pm BST – 4:30pm BST (Brazil);

10am ET – 2:30pm ET (Miami);

7am PST – 10:30pm (Seattle)

Meeting Science Themes:

- Earth system mechanisms (atmosphere, ocean, land, ice) affecting tropical Atlantic climate
- Simulation, predictability, and state estimates of tropical Atlantic climate variability and change
- Physical-biogeochemical-ecosystem interactions and impacts on ocean and human health
- Extreme weather and climate events

Monday, May 10th

10:00-10:20 Welcome, meeting focus, virtual meeting logistics

10:20-11:30 Oral presentations

11:30-11:40 Break

11:40-13:10 Oral presentations

13:10-13:20 Advertise posters and give instructions of how to access

13:20-13:30 Break

13:30-14:30 Poster session

Tuesday, May 11th

10:00-10:10 Quick intro/logistics

10:10-11:30 Oral presentations

11:30-11:40 Break

11:40-13:10 Oral presentations

13:10-13:20 Advertise posters and give instructions of how to access (10 minutes)

13:20-13:30 Break

13:30-14:30 Poster session

Wednesday, May 12th

10:00-10:10 Quick intro/logistics

10:10-11:30 Oral presentations

11:30-11:40 Break

11:40-13:10 Oral presentations

13:10-13:20 Advertise posters and give instructions of how to access (10 minutes)

13:20-13:30 Break

13:30-14:30 Poster session

13:20-13:30 Break

13:30-14:30 Poster session (1 hour)

Thursday, May 13th

10:00-10:10 Quick intro/logistics

10:10-11:30 Oral presentations

11:30-11:40 Break

11:40-13:10 Oral presentations

13:10-13:20 Advertise posters and give instructions of how to access (10 minutes)

13:20-13:30 Break

13:30-14:30 Poster session

Friday, May 14th

Mini-session open to everyone on the importance of the tropical Atlantic observing system:

10:00-10:10 Quick intro/logistics

10:10-11:50 Oral presentations

11:50-12:00 Closing comments

12:00-12:15 Break

12:15-14:30 SSG/PRB meeting (SSG, PRB members and invitees only)
